Forest Contract specialise in the manufacture and supply of quality contract furniture to the care leisure and hospitality markets. Operating from two large factories based in Manchester and Blackburn, we have over 50 years of experience manufacturing furniture.

Our experienced team work together to source, manufacture and finish by hand each upholstered product, providing our customers with the best level of service and premium UK-made furniture.

We appreciate the importance of safety and durability which is why all of our products meet or surpass the BS5825 and CRIB5 Fire & Safety standards with certificates available upon request.

PRICING & LEAD TIMES EXPLAINED

Our price lists includes a COM (customers own material) option, this is for those clients who wish to send in their own fabric to us for upholstery. Alternatively, we can provide a wide array of contract suitable fabrics & leathers which are categorised into the following:

Range A - House Faux Leather

Range B - Standard Faux Leather / House Fabric

Range C - Standard Fabric / Standard Real Leather

Range D - Premium Fabric / Vintage Real Leather

Range E - Deluxe Fabric / Premium Real Leather

Standard Lead times are 4-6 weeks. Please look out for the keys demonstrated as lead times may differ on the products.

ONE

FULL CONSULTATION PROCESS

An initial in-depth meeting to understand your site, budget and projects aims, as well as gaining an understanding of your brand and organisation. We may also carry out a site survey; measuring up the site to ensure we gain a full understanding of the space.

CONCEPT IDEAS AND DESIGN

A presentation of initial concept ideas with design intent and an opportunity for your feedback. The production of a moodboard and 2D CAD General Arrangements Plans, suggesting furniture arrangement.

TWO

THREE

DEVELOPMENT PROCESS

Bring the design to life by rendering your venue in 3D, giving you an opportunity to see your venue transform. Following this, a final quotation of works including value engineering to ensure that the best possible design and budget marry up.

IMPLEMENTATION/MANAGEMENT

It's time to progress to the project manufacture & install. A dedicated point of contact from our sales team will manage your build, producing a schedule of works & lead times. We will manage contractors on your behalf, so you can relax while the venue transformation begins.

FOUR

INTERIOR DESIGN

We appreciate that every project will be different, therefore, we don't offer a "standard" price for our design services. We believe in offering the best value for money and the most relevant design solution to every project we work on. As each venue can vary in size, shape, requirements and timescale, we quote our design service on an application basis. Contact a member of our team today to discuss your options.
